The ICRS Exchange

What is the Exchange?

The Institute of Corporate Responsibility and Sustainability (ICRS), the UK's professional body for CR&S practitioners, hosts a yearly conference in London known as The ICRS Exchange.

Approximately 200 CR&S practitioners across a range of sectors come together to learn about and engage with the most relevant topics in the space today. There is also dedicated time for networking to help practitioners expand their networks.

High-Impact Visibility, Meaningful Engagement

- To preserve the quality of the Exchange experience and foster meaningful connections, ICRS partners with only a select number of organisations that align with its mission and Guiding Principles for positive environmental and social impact.
- With a maximum of six exhibitors and a single Networking Reception Sponsor, partners benefit from exceptional visibility, direct access to members, and meaningful face-to-face engagement throughout the event.
- The Networking Reception Sponsor also receives a featured speaking opportunity on the main stage, delivering the official introduction to the networking reception at the close of the day's programme before attendees transition into the evening networking event.

Benefits of Sponsoring or Exhibiting

- Brand visibility and direct access to a targeted audience of experienced CR&S professionals from a range of sectors (construction, law, retail, professional services, NGOs, etc.)
- Logo inclusion in conference materials and promotions
- Social media profile as an official exhibitor or networking sponsor on ICRS LinkedIn account (9k+ followers)
- Access to attendee list to maximise engagements
- Ability to attend panels and workshops (number of passes dependent on purchased package)
- Reference in the Chair's opening remarks
- Ability to share discounted ticket code to your own network
- **For Exhibitors:** One of a small number of stands allowing for direct engagement with attendees, and opportunity to demonstrate products or services live
- **For Networking Sponsor:** 3-minute speech on mainstage to introduce the networking session, plus ability to place banner and promo materials in networking area

"The ICRS Exchange is a fantastic event – the footfall past our stand was excellent and the quality of conversations even better. Everyone we spoke to was genuinely invested in social impact, which made it a brilliant opportunity to share our programme and reconnect with existing partners. We're already looking forward to next year!" – Chapter One (2025 Exhibitor)
